Nearly all Pickaway-co schools today had completed their teaching and administrative staffs for the 1936-1937 school year following several board of education meetings Monday evening. A few of the schools still have minor vacancies to fill.

Myron T. Johnson, superintendent of the Washington rural schools of Jackson-co, was employed by the Pickaway-twp Board of Education Monday evening to succeed Supt. M. C. Warren, resigned.

Mr. Johnson has had 13 years of teaching experience, the last five of which he has been a superintendent. He received his bachelor's degree in education from Wilmington college and has taken graduate work at the University of Cincinnati. He hopes to obtain his masters degree in the near future.

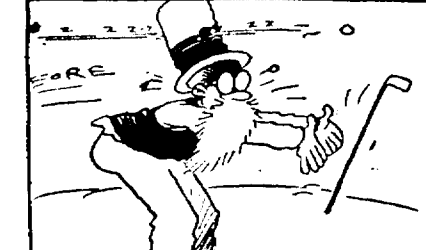

Active in Church, Grange
Mr. Johnson is 32 years of age, married and has one child. He is a member of the Methodist Episcopal church, Grange, and has taken an active part in community activities in the Jackson-co district. Mr. Johnson was highly recommended for the position. His home is in Wellston.

Six applicants were considered in the final selection. Employment of other teachers for the next term was delayed by the board until a later date. The next meeting will be held on Friday, June 12. Pickaway-twp board members are Henry Dunkle, president; Ralph D. Head, vice president; Shirley M. Dreishbach, Kirby Drake and Edward Kreisel. Leo McKenzie is clerk.

Carroll Woodruff, native of Plain City where he starred in athletics, will be the new principal and coach at Jackson-twp school succeeding Robert H. Terhune, who becomes superintendent. Mr. Woodruff is now a student at Ohio State university. He will graduate this summer.

THEILE HEIR FOUND IN CHICAGO HOTEL; "FED UP", HE SAYS

WILLIAM W. THEILE

New Yorker Missing for
Month Agrees to Return
to His Home

MAMARONECK, N. Y., June 2.—(UP)—William Theile, wealthy Wall Street financier, said today that his 15-year-old son, William Webster Theile, missing for a month, has been found in Chicago. "I talked with him by telephone," Theile said. "He is well and will come home soon. He told me he has been selling magazines."

CHICAGO, June 2.—(UP)—William Webster Theile, 15, missing heir who disappeared from his home at Mamaroneck, N. Y., a month ago, was found today living in a \$5 a week hotel on Chicago's north side, the Daily Times said in a copyright story.

Police and private detectives had sought him. A reporter for the newspaper found the youth living under the name "Jay Webster."

"I was fed up on society life and decided to make my own in the world," the boy, a direct descendant of Daniel Webster, was quoted.

"Now I guess I'll have to go back to breakfast-in-bed and chauffeur-driven autos."

He had 15 cents in his pocket and holes in his shoes when discovered living with a roommate, Charles J. Fritz, 21, whom he met three weeks ago when he got a job selling magazine subscriptions from door to door.

"I didn't care to have my breakfast brought up to my room every morning by a maid," he said.

"And I got tired of having a chauffeur drive me to the field whenever I competed in an athletic meet."

He was reluctant to return home, the newspaper said, but agreed to the trip when informed his mother was ill and under care of a physician because of grief over his disappearance.

"I was just starting to get by," he said ruefully.

PERRY-CO MILK WAR IS AVERTED

Dealer and Sheriff Talk;
Agreement Reported

NEW LEXINGTON, June 2.—(UP)—A conference of Sheriff James Adrian with representatives of the Perry-co Milk Producing Association and Russell Snyder, an independent dairyman, appeared today to have averted a threatened milk price war at Somerset, Ohio, near here.

Sheriff Adrian said after the conference that he expected Snyder to sign an agreement today calling for an increase in the price of his milk from 8 to 10 cents a quart on July 1 and thus conforming with price fixed by the association.

Members of the association had threatened to prevent Snyder's trucks from delivering milk yesterday. However, Snyder operated his trucks on schedule, with Rev. F. A. Jenkins of the New Reading parish riding in the first truck. There was no disorder, the sheriff reported.

ZIONCHECK NEEDS REST, PHYSICIANS SAY IN HOSPITAL

WASHINGTON, June 2.—(UP)—Rep. Marion Zioncheck, playboy congressman from Seattle, is "suffering from over-work," physicians at Gallinger hospital said today after an examination.

At the psychopathic ward, where Zioncheck was held for mental observation, it was said his condition was "not serious." A few days rest was prescribed, indicating he soon may be released.

Five months of rowdy antics in which he was jailed five times, married, took a riotous honeymoon and invented a new drink—the Zioncheck Zipper—ended in the psychopathic ward on orders from police.

Zioncheck slept last night, the first time, he said, since last Thursday. The four day interim was packed with more excitement than most congressmen get in 20 years in Washington. The reports of his escapades fill two pages of police records.

But he was awake early today, demanding that his bride of a month be "released so she can come to me." His wife, former WPA stenographer Ruby Nix, "walked out" of their apartment early last Saturday.

FARM PROGRAM FOUGHT

Gov. Herring Ahead in Race
for Democratic Place in
National Congress

DES MOINES, Ia., June 2.—(UP)—United States Senator L. J. Dickinson, bitter foe of New Deal farm policies and mention as a Republican presidential candidate, appeared to have won re-nomination today.

Dickinson based his campaign flatly on his opposition to the New Deal. He was the particular target of Democrats urging retention of New Deal farm policies.

Incomplete returns from yesterday's primaries gave Dickinson almost a 2-to-1 lead over his closest rival, former Sen. Smith W. Brookhart.

Returns from 1,075 of the state's 2,442 precincts gave:
Dickinson 48,736
Brookhart 25,964.

Communication Halted

Returns were delayed by a violent wind and rain storm which blew out communication facilities in the western half of the state. The storm prevented farm work for the day, however, and swelled balloting to an anticipated half-million.

Republicans, as usual in Iowa, cast almost twice as many votes as Democrats, indicating that com-

New J. C. Penney Store To Open Doors Thursday

Managers in Other Cities Invited to Attend Opening of
Modern Room; I. W. Kinsey Observes Anniversary

The opening of the new home of the J. C. Penney Co., in the Friedman building, W. Main-st., will be held Thursday at 8 a. m. Extensive alterations to the building were being completed Tuesday and all will be in readiness for the big event and display of special bargains. I. W. Kinsey, store manager, announced.

The building has been rebuilt from front to rear by C. W. Taylor & Sons, Zanesville, general contractors, furnishing additional space for many lines of merchandise.

"All stock for the opening is entirely new and purchased especially for the event," Mr. Kinsey said. "It was shipped to us from our New York warehouse and every item advertised is a special feature for our celebration."

Opening Arranged
"We know of no better way of celebrating our opening and acquainting our many customers with the new store setup, than by giving exceptional bargains. We have planned an opening that our friends, young and old, may enjoy."

A balcony, one third as large as the former store on N. Court-st., has been constructed in the rear of the new store. This balcony is 41½ feet wide and 45½ feet long. The main floor of the building is 41½ feet by 90 feet.

Every department will be larger. The shoe department will be ap-

proximately four times the size of that in the old store. Stock in the ready-to-wear departments will be doubled.

The balcony will be used for infants' wearing apparel, ladies and misses ready-to-wear, sports clothing, and foundation garments. Fitting rooms, the alteration department and store offices will be on the balcony.

The building has been completely redecorated, rewired, a new heating system installed, and a new front constructed. The roof of the building was raised six and a half feet for a distance of 50 feet to provide space for the balcony. About half of the fixtures in the store will be new.

'BLACK LEGION' HEARING OPENS

Witness Says Death of Poole
Was "Suggested"

DETROIT, June 2.—(UP)—"Colonel" Harvey Davis, leader of Detroit's night-riding Black Legion, suggested that Charles A. Poole "be beaten or something" two or three weeks before Poole's bullet-riddled body was found in a ditch, a witness testified today at the examination of 14 men charged with the murder.

The witness was Ruby Lane, sister-in-law of Hershel Gill, one of the defendants charged with having slain Poole in cold-blood because he knew too much of the Legion's terroristic activities. Nervous, she was called to the stand in Judge Ralph W. Liddy's courtroom after another court had held her in \$10,000 bail as a material witness. She was questioned by Prosecutor Duncan C. McCrea while Michigan's attorney general, David H. Crowley, and an assistant, sat at the prosecution table.

TWO POLITICAL GROUPS GATHER

Democrats Meet Wednesday;
Republicans Friday

Democratic and Republican leaders of Pickaway-co will draw plans for their respective campaigns this week when party meetings are held.

The Democratic central committee, with the various candidates "sitting in," will meet Wednesday evening to appoint the executive committee. This committee, now headed by George G. Adkins, will organize at once. Mr. Adkins has declared he does not seek re-election, but several members have been reported ready to renominate him. Several others have been named as "in the race."

The Democratic nominees met last week in a closed session to discuss a possible chairman, and it is reported they have agreed on one man as their first choice. His name has not leaked out, however.

The Republicans will complete organization for their campaign Friday evening in a meeting in Tom A. Renick's law office, N. Court-st. The executive committee will be named and will then organize.

G. O. P. URGED TO PICK DEMOCRAT AS NOMINEE

NEW YORK, June 2.—(UP)—The New York Herald Tribune, one of the most influential Republican newspapers in the country, recommended to the party's national convention in a front page editorial today that it nominate a Democrat for vice president and write a platform encouraging a realignment of parties.

"Millions of Democrats who distrust the Roosevelt administration," the Herald Tribune said, ask only a pledge to "keep America American" before giving their votes to Republican nominees.

A "rebirth" of the Republican party similar to that of the 1850's, when Whigs, Democrats and Free Soilers coalesced, is indicated for 1936, the Herald Tribune asserted.

"He should have a national reputation and be of presidential stature—a Democrat such as Senator Byrd, former Governor Ely, Newton D. Baker or Lewis Douglas. With this nomination should go a pledge that the best ability of the county, regardless of party lines, will be united in the coming administration."

Filibuster is Promised if High
Reform Rate is

WASHINGTON, June 2.—(UP)—The senate finance committee majority launched the offensive for its compromise corporation and income tax bill today with an assertion that the measure would raise \$229,000,000 additional revenue.

Adjournment is hoped for Saturday.

In preparation for bitter finger controversy, the majority report was submitted by Acting Chairman William H. King, D., Utah, while Republican senators met in caucus to outline the strategy of their fight against the bill.

Black in Minority

At the same time, a committee minority led by Sen. Hugo L. Black, D., Ala., sought to substitute on the floor the administration's high graduated rates up to 42½ per cent on undivided corporate income.

These high reform rates are in the house bill but were rejected by the committee which reported a compromise calling for a 3 per cent increase in present corporate taxes, a 7 per cent super tax on undivided profits and a one per cent increase in income surtaxes over \$6,000.

Republican senators have promised to filibuster any restoration of the high reform tax rates in the house bill.

HOFFMAN HIRES COL. KIMBERLING

New Jersey Governor Acts to Oust Schwarzkopf

TRENTON, N. J., June 2.—(UP)—Gov. Harold G. Hoffman's enemies threatened a fight regarding the whole Lindbergh kidnapping case today to prevent him from ousting Col. N. Norman Schwarzkopf, chief of state police since 1921.

The governor sent to the senate for confirmation last night his appointment of Col. Mark C. Kimberling, penitentiary warden and his political and personal friend, to succeed Schwarzkopf.

All who had followed the history of the Lindbergh kidnapping and the governor's fight to prove that Bruno Richard Hauptmann was not the sole perpetrator, had expected Hoffman to oust Schwarzkopf, but there was no warning of his action last night. Many civic organizations had petitioned him to reappoint Schwarzkopf, who had been the state police superintendent since the police force was formed. Some of the governor's intimate advisers had told him that it would be politically wise to do so.

But Hoffman had said repeatedly that Schwarzkopf's most cele-

brated job, the investigation of the Lindbergh kidnapping, was "the most bungled police case in history," and he acted on that ground.

the Christmas season toys will be displayed in the basement. I. W. Kinsey, 207 E. Main-st., has been manager of the Penney store for the last eight years. The anniversary of his assignment as manager of the store was Friday night, the night on which the move was started to the new home.

He previously had managed other stores for the company and is thoroughly familiar with the wishes and buying habits of the people in this district. The store has shown a steadily increasing volume of business under his supervision and the expansion program may be attributed largely to his success as a merchandising executive.

Two Assistants
Mr. Kinsey's assistants are Roscoe Warren, 357 E. Franklin-st., and H. A. Sprekel. Mr. Warren has been connected with the local store for the last year, coming here from Green Castle, Ind. Mr. Sprekel started at the new store Monday coming here from the Coshocton store. Both men have been with the organization for the last eight years and are widely experienced in the merchandising field.

The store has 12 regular employees and 12 extras. Managers of 15 central Ohio

stores have been invited to attend the opening.

The J. C. Penney Co., was founded in a tiny store in the mining town of Kemmerer, Wyo., in 1902 by James C. Penney. Today the company operates nearly 1,500 stores whose sales volume last year amounted to more than \$212,000,000. Earl C. Sams is president and active head of the entire organization.

Observers of department store operations in the United States have attributed much of the Penney company's success to its strict adherence to Penney's original policy of vesting full merchandising control of each store in the hands of the local manager, who is in a position to study the needs and wishes of his particular community.

Frills and extravagances which may add to the overhead and to the ultimate cost of the consumer are banned in the Penney policies of operation.

Faithful adherence to this long established principle is one of the chief concerns of Mr. Sams.

Started As Clerk

Mr. Sams joined the Penney Co. as a clerk in the first little store in Kemmerer in 1907 and rose steadily through the ranks until he became president in 1917. The growth of the company and the enviable position that it occupies in every state of the union is in no small measure to be attributed to the leadership of Mr. Sams.

Tales
DONALD MASON, salesman, has the best Cadillac in Circleville, to hear him tell it.
Don took a long trip Memorial day. Here is his story:
"When I started I looked at the gasoline gauge and found there were about two gallons in the tank. I decided to get some gas at the first station I saw. I forgot and drove clear to Newark before that tank went dry. Then there was enough fuel in the car-buretor to get me to Zanesville before I refueled."
Charlie Stottlemire, Circleville's No. 1 thumber, put on an endurance contest Monday, "thumping" at the corner of Watt and Court-sts from 8 a. m. until 10:40 a. m. before getting his daily ride to Columbus.

E. A. Roberts, World Traveler, Tells of Conditions

Wives and friends of Kiwanians were guests Monday evening when the club had its quarterly Ladies' Night meeting at the Pickaway Country Club. Nearly 60 members and guests were seated at small tables centered by vases filled with roses.

In the Vallee Hour he will have the lead in a radio drama. Henry Hull who was announced over the air in last Thursday's program as a guest for June 4 will be heard at a later date.

JESSE TALLMADGE

George Jesse and Norma Talmadge, who in private life are Mr. and Mrs. George Jesse, will make their debut as a radio comedy team when they tell listeners all about June brides in the Music Hall next Thursday, June 4. Bing Crosby's other guests in this broadcast over a WEA-FMBC network at 9 p. m. (EST) are Edith Fellows, the 12-year-old child star who will be in Bing's next movie, and Jackie Searle, who is 14 and also a movie star.

Comedian Jesse and his wife, who was one of the great stars of the silent pictures, are familiar to radio stage and movie fans not as a team but as separate stars. This is the first time they have combined their talents in a team act comedy flavor. Only married a little more than a year themselves, they will have an act strictly in tune with the season—the perennial June brides.

The two youngsters, Edith Fellows and Jackie Searle, will have a chat with Bing at the microphone and talk about how it feels to be a movie player at the ages of twelve and fourteen respectively. Edith was with Claudette Colbert in "She Married Her Boss" and after Bing finishes making "Rhythm on the Range" she will be with him in his next film which will be called "Pennies from Heaven." Jackie Searle was in "Gentle Julia" with Jane Withers and in "Little Lord Fauntleroy" with Freddie Bartholomew. He has also won more than a hundred ribbons as a juvenile horse rider.

THEATRES

AT THE CLIFTONA

Margaret Sullivan, noted screen star, is cast, appropriately enough, in the role of a screen star in Walter Wanger's production, "The Moon's Our Home." Produced for Paramount, the picture opens at the Cliftona theatre on Wednesday, with Henry Fonda, Henrietta Crossman, Charles Butterworth and Beulah Bondi featured in important roles.

In "The Moon's Our Home," Margaret Sullivan portrays a tempestuous little spitfire controllable only by a person equally fiery, her grandmother. As a sky-rocketing motion picture star, Margaret hears of, and determines to hate, a man she calls a "globe trotter" who would be lost without his hot water bottle. Henry Fonda, a world-famous author-explorer, has heard of her, and has learned to despise the sound of her name, referring to her as "the phoney blonde with a face that resembles French pastry."

AT THE GRAND

Irene Dunne, a true daughter of the South, was born and reared in Louisville, Kentucky, the daughter of a ship-builder and owner of Ohio River steamboats. Miss Dunne at the Grand theatre in the leading feminine role of "Magnificent Obsession," Universal's John M. Stahl production in which she is co-starred with Robert Taylor.

EAGLES RALLY, DEFEAT FEEDS

Lodgemen Hop on Purcell for Four Runs in Eighth

Four runs driven across the platter in a big eighth inning rally gave the Eagles lodge softball team a 6 to 2 victory over the Eshelman Feeds Monday evening.

The game was nip and tuck until the eighth session when the Eagles hopped on Carl Purcell to clinch the game. Eddie Callahan pitched a steady game for the Eagles.

Tonight finds the Cities Service Oils and Pickaway Dairy meeting in a crucial game. The Oils must hop into the victory column in this game or all their chances for a high place in the first half will be gone. Leonard Buskirk will twirl for the Oils and Blair for the Dairy men.

Wednesday evening will find Given Oils and Eshelman Feeds meeting and Thursday will match the Circleville Oils and Pickaway Dairy. The Friday game will be between the Eagles and Cities Service Oils.

Next week finds the Given Oils and Circleville Oils on Monday, Cities Service Oils and Eshelman Feeds on Tuesday, Given Oils and Eagles Wednesday; Eshelman Feeds and Pickaway Dairy Thursday, and Circleville Oils and Eagles Friday.

MEYER TO ENTER ROBY SPEEDWAY RACE ON SUNDAY

CHICAGO, June 2.—(UP)—Lou Meyer, Huntington Park, Cal., veteran who set a new track record as he won his third Indianapolis Motor Speedway classic Memorial day, will lead drivers in the opening program at Roby speedway here Sunday.
Meyer, along with Mauri Rose, Babe Stapp, Doc MacKenzie, Rex Mays, and others, signed yesterday to drive at Roby. He indicated he will drive the same car that set a record of 109.069 miles per hour at Indianapolis.

SAM PARKS TO DEFEND HIS TITLE THIS WEEK

SPRINGFIELD, N. J., June 2.—(UP)—Sam Parks, Jr., has just 48 hours left in which to wear the National Open golf crown—a diadem he had no right to win in the first place—according to the experts.

Two more sons and Parks will begin the defense of the title he astounded the golf world by winning last year at Oakmont Country club. There are 169 other shot makers, survivors of an original starting group of 1,278 entries, in the field. Few of them are conceded less chance than the champion.

Rarin' to Go

SUCCESSFULLY making a comeback from his third attack of spinal meningitis, Bruce Campbell, slugging outfielder of the Cleveland Indians, is rarin' to go. Bruce, shown as he appeared following his departure from a hospital in Boston, hopes to be back in the Cleveland lineup in the near future.

About This And That In Many Sports

Not "Macphailures"

Larry MacPhail, general manager of the Cincinnati Reds, likes publicity, but he draws the line at a certain point. . . . thus, when one of the better Cincy scribes recently started calling the ball club the "MacPhailures", the g. m. went to the local publishers about it, and it was agreed the name should not be used.

The name doesn't apply to the team anyway, and was meant only as a gag in the first place. . . . because the Reds are right on the way up, and it won't be long before the club is knocking at the front door. . . . and all hands get sore when the team loses.

Farm Improving

The club is good enough to keep several major league ball players on its farm teams. . . . Les Scarsella, first sacker recalled recently from Toronto is an example. . . . The Reds' farms are rapidly becoming stocked with good material, a promising sign for next year's ball club. . . . The Cardinals probably could go into the minors and make up a club of farmed men almost as good as the Gas House Gang itself.

One of the Reds' newcomers is Calvin Chapman, an outfielder who has shown great pinch hitting ability. . . . Chappie, a 23-year-old recruit from Toronto, lacks only experience. . . . he's not quite good enough to break into the Reds' outfield combination of Babe Herman, Kiki Cuyler and Ival Goodman. . . . Herman and Cuyler are the real veterans of the team.

Besides having Chapman for reserve outfield duty, Charlie Dresen can send Sam Byrd or Harvey Walker, both better than average players to the outer posts.

20-Year-Old Regular

Another of the new men whose play has been topnotch is Lee Handley, second baseman who has displaced Alex Kampouris. . . . Handley is mascot size, five feet seven, and only 20 years old. . . . he's from Bradley College—you know, Peoria, Ill.—and never played a game of professional ball until last year. . . . he was voted the most popular player on the team at Toronto last year. Last week he was returned to Toronto.

Derringer is the ace of the pitching staff, which includes mostly young men—George Nelson, Don Brannan, Eugene Schott, Al Hollingsworth, Lee Grissom, Benny Frey, Si Johnson, Walter Hucher and Lee Stine. . . . the pitching has been improving, and by mid-summer, the team will be ready to step into the first division of one of the leaders falters.

TONY FREITAS OBTAINED BY COLUMBUS RED BIRDS

COLUMBUS, June 2.—Tony Freitas, who should win a lot of ball games in the American Association, has been purchased by the Columbus Red Birds from the Cincinnati Reds. Freitas, a left-hander, should add much strength to the Bird team in their drive from the second division. William Cox, right-hander, was sold Monday by the Birds to the St. Louis Cardinals.

TWO-BALL GOLF TOURNEY IS ARRANGED AT CLUB

A two-ball foursome, with one-half of the low man's handicap being counted, will be played at the Pickaway Country club Wednesday afternoon preceding the stag party.
Tod Thompson, club professional, who last week-end scored a brilliant 69, is hoping for a good attendance.
The stag party will start at 6:30 o'clock.

Dickey Out for Three Weeks

BILL DICKEY, star catcher of the New York Yankees and one of the leading hitters in the American league, injured in a collision with Eric McNair, Boston shortstop, in a game in Boston, will be out of the Yankee lineup for three weeks. His loss is expected to be a serious blow to the Yanks' hopes of piling up a big lead in the pennant race.

HALLAHAN NEW MEMBER OF CINCINNATI STAFF

CINCINNATI, June 2.—(UP)—For the first time since he broke into professional baseball in 1924, "Wild Bill" Hallahan today was outside the fold of the St. Louis Cardinal system.

Hallahan, 31 years old and a veteran of seven major league seasons, was sold by the Cardinals to the Cincinnati Reds yesterday. The sale price was not announced. Hallahan broke into professional ball in 1924 with Syracuse in the International league. The same season he was with Kalamazoo and Fort Smith.

After trials with St. Louis in 1925 and 1936, Hallahan spent the 1927 season at Syracuse where he won 19 games and lost 11 and in 1928 was with Houston in the Texas League where he gained 23 victories against 12 defeats.

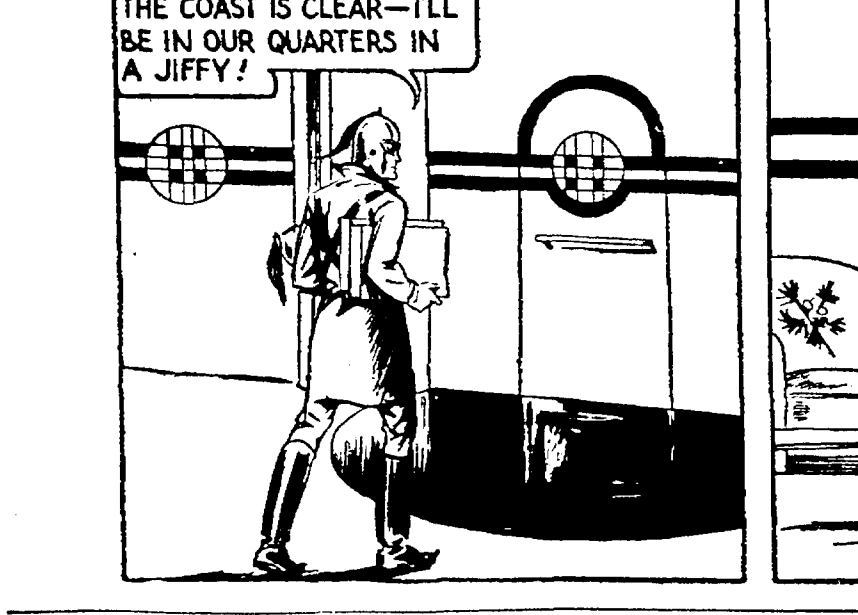

On the basis of that record, the Cardinals recalled him and he remained with St. Louis until his sale yesterday. Hallahan's best season was in 1931 when he won 19 games and lost nine during the regular campaign and then turned back Philadelphia twice in the World's Series.

Hallahan won 15 games and lost eight last season. He has been used principally in relief roles this spring and has two victories against a like number of losses.

LEADERS IN A. A. SMACK APPLE TO WIN IN SERIES

BY UNITED PRESS
While three American Association games were counting hits in dozens, the league's leaders, Milwaukee, defended its slim half a game margin against the Minneapolis Millers, winning a 5 to 1 victory.

Kansas City, trailing Milwaukee, was aided by hitting and errors on the part of St. Paul's Saints, and took a 14 to 1 game.

The game was overshadowed by a 12-run inning, the third. After Kansas City made the splash, the game was listless. Hits compared: the Blues, 13; the Saints, 8. Indianapolis outthrew the Toledo Mud Hens to win their series opener 14 to 9, the Indians smacking a total of 13 extra base hits off Cohen, Toledo hurler. Toledo reached three Indian pitchers for 16 hits.

In another hitting bee, this time a one-sided affair, the Columbus Red Birds rapped 19 safeties off Dick Baas and Yank Terry, Louisville pitchers, and won a game 13 to 1. Winsett accounted for a home run, two doubles and a single in five times at bat.

On a rain soaked field, the Milwaukee Brewers hit Grabowski and Kulp, who went in for Grabowski, a total of 12 times to win from the Millers, 5 to 1. The game was slow and featured faulty play.

Remember When?

Two skeletons were uncovered on W. Main-st.

The skeletons of two aged persons, believed to be pioneers, were discovered in W. Main-st., June 8, 1911, while workmen were excavating for a sanitary sewer. They were found opposite the Union-Herald office. The bodies were in a strata of clay about three feet underground. The condition of the teeth indicated the skeletons were those of aged persons.

Suits will be "poured" on to men in the future, according to a prophecy before the International Association of Garment Makers. Reversing the practice sometimes necessary in bibulous quarters.

SPEAKER TO DWELL ON ACTIVITIES IN RUSSIA

Mussolini, Hitler, and Stalin—three world leaders who take up much of the spotlight of today,—will be discussed by George Dewey Blomgren, author, lecturer, and evangelist when he speaks at the Calvary Evangelical church Wednesday at 8 p. m. He will dwell at length on Russia.

Blomgren, who has just returned from an extensive tour abroad, believes that Hitler is the only one of the three that is genuinely beloved by his people.

He thinks that war of major proportions will shake the world within two years.

Blomgren is a stout opponent of fascism and communism, and his talk here will deal particularly with what he terms "starvation in the Soviet republic."

People are funny. They interrupt every time you try to say anything and think you are queer if you keep still.

PAINT-UP! SAYS GOELLER

Its time to step out in all the gay colors of the season and if you're planning to do a bit of decorating in your home, remember Goeller's paints and varnishes do the trick faster, smoother and more economically.

REJUVENATE YOUR FURNITURE

Dig up those old chairs and pieces of furniture that have been stored away and make them usable again with a coat of paint and varnish. The kitchen chairs or the old rocker for the porch will look like new again after a coat of paint.
